

Fostering/adoptive parent form: Little paws to the rescue

In order to become a foster/adoptive parent, you will need to meet the requirements of the following:

1. Complete a foster parent or adoption form and contract, liability waiver and have a subsequent homevisit.
2. Homecheck forms, adoption forms, adoption contracts and all other paperwork is confidential to the potential adopter/foster home and the public.
3. Your own personal animals MUST be spay/neutered prior to fostering/adopting animals of the same species.
4. Understand that this is a commitment to Little paws to the rescue AND the pet(s) placed in your care.
5. Provide food, water and a safe, loving home for your foster(s) and/or adoption(s) where they can learn social behaviors they desperately need.
6. Temporary foster or foster to adopt or adoption, MUST bring animals to scheduled appointments!
7. You have read the additional forms necessary (i.e. Little paws to the rescue terms and conditions, animal care forms, etc.)
8. Before, during and after foster home/adoptive placement there will be pet evaluation and/or socialization visits to your house.

Agree and understand that Little paws to the rescue officers may also remove a foster/adoptive pet from a foster/adoptive home for any reason at any time deemed necessary.

Ex: abuse, neglect or lack of food, shelter.
